

Introduction: How do we make the right decision?

Orientation: A word on applying narratives

1. **The problem: Family strife (v1-7)**
2. **The offer: Faith in the promise (v8-9)**
3. **The decision: Using the wrong pair of eyes (v10-13)**
4. **The affirmation: Using the right pair of eyes (v14-18)**

Discussion Questions:

1. What does it mean for us to be using the right pair of eyes?
2. Have someone share a current (or hypothetical) big decision and brainstorm what it might look like to be using the right pair of eyes.
3. Spend time praying for one another.
